Description

On Special Combo Transaction Log page, when opened the filters then found that in Few Searchable dropdowns search is not working.

Please check below mentioned Dropdowns:

1. Company
2. Industry
3. Group Toggle
4. Stock Active Toggle

Verified on staging web app, Now in the filters of Special Combo Transaction Log the search in searchble dropdowns is working fine.

1. Company - **Search is Working**
2. Industry - **Search is Working**
3. Group Toggle - **Search option is removed**
4. Stock Active Toggle - **Search option is removed**
Done, marking it as closed
