- Status changed from In Progress to Resolved

#7 - March 04, 2025 05:17 AM - Dinesh Pedagada

In the Transaction log page, In Columns Section added the freeze columns feature with the minimum width should be taken.

#8 - March 07, 2025 06:00 AM - Palash Tembhonekar

Verified on staging web app, now on the Transaction log page the Width of first 4 columns is reduced also the Freeze & Unfreeze feature is added in Columns Dropdown. - **Done, marking it as closed**
