

FWG Internal - Feature #23841

FWG: Staging: Web app: COH changes to be reflected everywhere in app.

February 21, 2025 07:24 AM - Palash Tembhonekar

Status:	Closed	Start date:	February 21, 2025
Priority:	Normal	Due date:	
Assignee:	Dinesh Pedagada	% Done:	0%
Category:		Estimated time:	0:00 hour
Target version:		Spent time:	0:00 hour
Description			
If I change COH, does it automatically recalculate all the values that depend on COH in the entire app? If not then it should reflect the changes everywhere in web app.

Coh is present in this four places so you can check according to that whether it is updating or not.

Cash Contribution

Portfolio Balance Sheet

Settings dropdown

Verified on staging web app, now when we are updating the Cash on Hand then it reflecting the changes properly on below mentioned screens:

1. Cash Contribution - **Displaying proper COH**
2. Portfolio Balance Sheet- **Displaying proper COH**
3. Settings dropdown- **Displaying proper COH**
4. portfolio- **Displaying proper COH**
- **Marked it as closed**
