Priority:	Normal	Due date:	
Assignee:	Dinesh Pedagada	% Done:	0%
Category:		Estimated time:	0:00 hour
Target version:		Spent time:	0:00 hour
Description			
1. Instead of Close button need to show Cancel 2. If clicked on the Cancel button then it should revert back the COH (No Need to Update)			

History

#1 - March 04, 2025 09:49 AM - Palash Tembhonekar

- Tracker changed from Bug to Feature

#2 - March 04, 2025 03:56 PM - Dinesh Pedagada

- Status changed from New to In Progress

#3 - March 05, 2025 04:04 AM - Dinesh Pedagada

Instead of close cancel button is added and when we click on cancel or cross symbol it reverst back. its not updating the coh. the coh will be updated when we click on re-calculate button and after the calculation the coh is updated.

#4 - March 05, 2025 04:04 AM - Dinesh Pedagada

- Status changed from In Progress to Resolved

#5 - March 05, 2025 09:32 AM - Palash Tembhonekar

Verified on staging web app, Now In the COH update when we click on the **Save** button then it displays the pop up for **Re-calculate the transaction data?** here if clicked on the **Cancel** button then it revert backs the COH & does not save. It saves only then when we click on **Recalculate Data** button.

1. Instead of Close button need to show Cancel - **Done, now its showing Cancel button**
2. If clicked on the Cancel button then it should revert back the COH (No Need to Update) - **Done, if clicked on Cancel then it revert backs the COH & does not save**

- Done, Marking it as closed

#6 - March 05, 2025 09:34 AM - Palash Tembhonekar

- Status changed from Resolved to Closed
