*- Status changed from In Progress to Resolved*

**#4 - March 07, 2025 04:35 AM - Dinesh Pedagada**

Its fixed now. its showing a error message for wrong credentials and unverified user.

**#5 - March 07, 2025 05:32 AM - Palash Tembhurnekar**

Verified on staging web app, Now after logging in into the web app its not displaying the Application error message on Dashboard. **Done, marking it as closed**
